Our current office hours:	Mondays	8am to 8pm	} Please note: these hours are subject to change.
	Tuesdays	8am to 8pm	
	Wednesdays	8am to 5pm	
	Thursdays	8am to 8pm	
	Fridays	8am to 5pm	
	Saturdays	9am to 1pm	

Our **New Patient Registration Packet** includes everything we need to know about each other to ensure a long and mutually respectful relationship and to help us provide you with the best quality of care. Please answer all sections.

1. Patient Registration Form – Personal and Demographic Information.

Next, we like to get all the required acknowledgements and signatures out of the way, so please review, sign and date the **Notice of Privacy Practices, PPP2021, Records Release Form** and **HIPAA Authorization form**.

- 2. Notice of Privacy Practices** – If you are completing the registration online, you may ask for a hard copy of this at your first visit, but please acknowledge that you have read it by signing and dating it as indicated.
- 3. PPP2021**, which outlines all policies regarding appointments, medications and refills, billing and insurance and is updated at the beginning of each year or as necessary to include changes. Initial each section, sign, and date it at the bottom. This will be saved to your electronic chart and you may request a copy at your first visit.
- 4. Records Release Form** – authorizes Churchville-Chili Family Medicine to securely obtain medical records on your behalf.
- 5. HIPAA Authorization** we are unable to discuss ANY information pertaining to your health with anyone other than those legally mandated (for example, other doctors as needed for continuity of medical care, insurance companies or legal entities). Please specify details of who you permit us to discuss your information with. **This is to protect your privacy.**
- 6.** The next few pages will ask for your **Medical Information** such as surgeries, immunizations, medications, health maintenance checks, past medical history, etc. Your new provider at CCFM will review this before your first appointment.

Once we receive your completed registration, we will process it asap and contact you to set up your first appointment.

Typically, our providers spend **30 minutes on a new patient visit**. PLEASE NOTE: We do not usually do a CPE (comprehensive physical exam) at the time of an initial visit for individuals over age 30.

At CCFM, we practice preventive medicine as well as caring for you and your whole family's chronic and acute medical needs. Our practice philosophy is to aim for early detection, early intervention, and prevention. Regularly scheduled office visits allow us to better assist you in identifying and managing any health problems you may have. We believe this is in your short and long-term best interest, as being proactive about your health care can often help us prevent the onset of future health problems. Experience has proven that those patients who are consistent in health maintenance enjoy better health overall and are less likely to have difficulty with unstable chronic illnesses later in life.

If you have any questions, please don't hesitate to call our office at 585-594-5995 menu option 1. We'd be happy to help!
